You are granted an automatic 6-month extension of time to file Form N-11 or N-15. You don't need to file an application to request the extension. The automatic 6-month extension is granted if the following requirements are met:

- On or before April 20, 2017, 100% of the properly estimated tax liability is paid;
- The tax return is filed on or before the expiration of the 6-month extension period;
- The tax return is accompanied by full payment of any tax not already paid; and
- You are not bound by a court order to file a tax return on or before the prescribed due date.

Properly estimated tax liability means you made a bona fide and reasonable attempt at the time the extension was submitted to locate and gather all of the necessary information to make a proper estimate of tax liability for the taxable year. If you did not file Form N-101A, you are considered to have submitted the extension on April 20, 2017.

If you must make a tax payment to meet the requirement that 100% of the properly estimated tax liability is paid on or before April 20, 2017, you must file Form N-101A with your payment.
